

# FLOOR SUPPORT FOR i3HAWM

i3-learning offers a broad range of linear motion solutions that help move your application in any direction: horizontal, vertical and diagonal. Challenge us, in any way. Based on its 180 years' experience in linear motion solutions, i3-learning offers a range of high quality products for use with large touchscreen displays and interactive whiteboard systems. In our challenge to offer you a comfortable and intuitive solution to adjust your screen vertically, we have developed the i3HAWM, a user-friendly, ergonomic, high-quality, reliable and sustainable product that allows you to move your screen up and down, in a manual way.

**Included:**
