

# LOGITECH WEBCAM

## C925E

### HIGH-DEF VIDEO FOR ENHANCED COLLABORATION

Video boosts collaboration between team members who can't meet in person. Enhance every opportunity for collaboration with the Logitech C925e Webcam, which delivers affordably priced, HD-quality video in any environment – in the office or on the road. The C925e works with virtually all video conferencing software applications, so you can quickly set up and run every meeting.

#### HD 1080p video at up to 30 frames per second

- Full HD 1080p 30 fps makes a vivid impression every time with true-to-life video calls.

#### Easy-to-use

- Simple to set up and use, USB plug-and-play connection makes video meetings easy.

#### UVC H.264 encoding technology

- Frees up PC bandwidth by putting video processing within the camera.

#### Convenient privacy shutter

- Easy lens closure for added privacy and security.

#### 78° field of view

- See more without having to reposition the camera or crop and zoom.

#### Logitech RightLight™ 2 technology and autofocus

- Webcam intelligently adjusts to improve visual quality in low light and backlit situations at multiple distances.

#### Omni-directional dual stereo microphones

- Designed to capture sound for clear communication in larger spaces like offices and small conference rooms.

#### Multiple mounting options

- Freedom to mount the camera wherever it works best — LCD screen, notebook, or tabletop — by using the attached clip or the tripod embedded thread.

#### Professional-grade certifications

- Leading business certifications (Certified for Skype for Business, Optimized for Microsoft® Lync® 2013, Cisco Jabber® and WebEx® compatible<sup>2</sup>) and enhanced integration with Logitech Collaboration Program (LCP) members<sup>1</sup> ensure an integrated experience with most business-grade video conferencing platforms.

#### RECOMMENDED ACCESSORY FOR i3HUDDLE

The Logitech C925e webcam is the perfect camera to combine with the i3HUDDLE 2.0 and enhance your video conferencing. Unlock the full potential of i3HUDDLE and bring meeting to perfection.
